

## **DEAR PARTNERS IN MINISTRY,**

We are excited to share our 2022 Ministry Report with you, highlighting our church planting activities and financial operations. As we reflect on the past year, we are amazed at how God continues to build His kingdom and use To Every Tribe to help do that!

**In 2022, To Every Tribe continued church planting efforts in six complex regions:** US-Mexico Border, Southern Mexico, South East Ecuador, Papua New Guinea, Central & Eastern Europe, and First Nations in Canada. These regions face a variety of challenges, including drug-related violence, organized crime, poverty, limited access to education and healthcare, cultural diversity, linguistic diversity, political instability, and tribal conflicts. Despite these challenges, To Every Tribe is committed to planting churches in these regions and bringing the hope of the gospel to people who have never heard it before.

**In 2022, To Every Tribe's donations decreased by 3.3%. However, this decrease was offset by \$812,732 in Employee Retention Credit (ERC) tax rebates**

received due to the shutdown by the Department of Homeland Security of the US-Mexico border that impacted a substantial part of our ministry. As a result, we were able to invest even more in church planting in complex regions of the world.

**We are grateful for your generosity and partnership, which makes this work possible.** Your prayers and financial support make it possible for us to plant churches and reach the unreached with the gospel. Thank you for being a part of what God is doing through To Every Tribe!

For His Glory,

**Dr. Steve Leston**

## Mission Statement »

To Every Tribe exists to extend the worship of Christ among all peoples by mobilizing the church, training disciple-makers, and sending missionary teams to plant churches among the unreached.
